INDEPENDENT REVIEWER'S REPORT TO THE MEMBERS OF ACT WILDLIFE INCORPORATED
FOR THE YEAR ENDED 31 DECEMBER 2020

I have reviewed the accompanying financial report of ACT Wildlife incorporated which comprises the statement of financial position as at 31 December 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31 December 2020 on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' management committee declaration who are responsible for the preparation of the Financial Report in accordance with applicable Australian Accounting Standards, *Australian Charities and Not-for-Profit Commission Act 2012* and *ACT Associations Incorporations Act 1991*, giving a true and fair view of the financial position and performance of ACT Wildlife incorporated.

A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently, does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Based on my review, which is not an audit, nothing has come to my attention that causes me to believe that the financial report of ACT Wildlife Incorporated for the period ended 31 December 2020 does not give a true and fair view of the financial position of ACT Wildlife Association as at 31 December 2020, and of its financial performance and its cash flows for the year then ended, in accordance with the applicable Australian Accounting Standards, *Australian Charities and Not-for-Profit Commission Act 2012* and *ACT Associations Incorporations Act 1991*.

Note 1 Summary of significant accounting policies

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period. For the purpose of preparing the general purpose financial statements, ACT Wildlife Incorporated is a not-for-profit entity under the Australian Charities and Not-for-Profit Commission Act 2012 and Associations Incorporations Act 1991.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost. The financial statements are presented in Australian dollars and rounded to the nearest dollar.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Donation income is recognised when it is received.

1.4 Grants including Government grants

Grants are not recognised until there is reasonable assurance that the ACT Wildlife Incorporated will comply with the conditions attaching to them.

Grants are recognised in profit or loss on a systematic basis over the periods in which ACT Wildlife Incorporated recognises as expenses the related costs for which the grants are intended to compensate. Specifically, grants whose primary condition is that ACT Wildlife Incorporated should purchase, construct or otherwise acquire non-current assets are recognised as current liabilities in the statement of financial position and transferred to profit or loss on a systematic and rational basis.

Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to ACT Wildlife Incorporated with no future related costs are recognised in profit or loss in the period in which they are received.

1.5 Gains

Sale of assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

1.6 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

1.7 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

1.8 Contingent liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.9 Depreciation

Depreciation rates are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are:

	2020	2019
Vehicles	12.5% straight line	12.5% straight line
Aviaries Cages minor equipment	30% reducing	30% reducing
Sundry assets	100%	100%

1.10 Taxation

ACT Wildlife Incorporated is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (**FBT**) and the Goods and Services Tax (**GST**).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis.

1.11 Going concern

ACT Wildlife Incorporated is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis.

Note 2 Events after the reporting period

There were no events that occurred after 31 December 2020, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of ACT Wildlife Incorporated.
